General Chair:

Ljubo Vlacic
 Griffith University

Program Chair:

Fuwen Yang
 Griffith University

Publication Chair:

Michael Lees
 Carlton & United Breweries

Invited Session Chair:

Yoni Nazarathy
 The University of Queensland

Web Master:

Clinton McKinnon
 The University of Newcastle

ANZCC Steering Committee:

Victor Sreeram (Chair)
 The University of Western Australia

Akshya Kumar Swain
 University of Auckland

Chris Pretty
 University of Canterbury

Dragan Nestic
 University of Melbourne

Geoff Chase
 University of Canterbury

Ian R. Petersen
 University of New South Wales

Jennifer Dickson
 University of Canterbury

Jochen Trumpf
 The Australian National University

Karl Stol
 University of Auckland

Ljubo Vlacic
 Griffith University

Matthew James
 Australian National University

Michael Lees
 Carlton & United Breweries

Robi Malik
 The University of Waikato

Sing Kiong Nguang
 The University of Auckland

Waleed H Abdulla
 The University of Auckland

Wei Xing Zheng
 University of Western Sydney

Call for Papers

The 2017 Australian and New Zealand Control Conference ([ANZCC 2017](http://anzcc.org.au/ANZCC2017/)) will be held in conjunction with the 2017 Asian Control Conference in the City of Gold Coast at the Gold Coast Convention Centre from 17 to 20 December 2017. The ANZCC 2017 will be run in parallel with ASCC 2017 sessions and, thus, will maintain its identity.

ANZCC 2017 will provide a forum for Australian and New Zealand researchers, students and control engineers from universities, industry and government organisations to exchange ideas and recent results, as well as discuss current problems arising in control engineering research and industrial practice. International contributions are encouraged and will be solicited for.

The following types of contributions are sought:

Contributed papers:

Initial submission: up to 6 pages

Final submission: 3 pages (recommended); up to 6 pages (permitted)

Practitioner papers:

Initial submission: an abstract

Final submission: 2 pages (recommended); up to 6 pages (permitted)

Invited Session Proposals:

Up to 2 page long submission comprising of:

Title of the invited session including justification of the session topic

Title and an abstracts of each invited paper; and

Names and affiliations of the invited paper co-authors.

Invited Session Papers:

Invited session papers should follow the same format and page limitations as contributed papers and will go through the same peer reviewing process.

Presentation-only papers

Initial submission: up to a page-long abstract (note: abstract submissions will go through a peer review process); the IEEE paper format must be used

Final submission: up to a page-long abstract (the final version). These papers will not be included in the Conference Proceedings. However, they will be a part of the Conference Program (if accepted) and their abstracts will be included in the Book of Abstracts which will be distributed to the conference participants. Thus, the registration fee will be lowered.

Technical sponsorship is being sought from the IEEE Control Systems Society, IFAC and the Asian Control Association.

Important Dates:

All Paper Submissions:	17 July 2017
Workshop proposals:	17 July 2017
Author notification:	20 September 2017
Final papers:	01 October 2017
Conference:	17-20 December 2017
Post-Conference Workshops:	21-24 December 2017
