## Call for Papers

The 2019 Australian and New Zealand Control Conference (ANZCC2019) will be held at the Auckland University of Technology, Auckland, New Zealand, from 27 to 29 November 2019. The theme for the conference is “The Changing Landscape of Control Technology”.

ANZCC2019 will provide a forum for Australian and New Zealand researchers, students and control engineers from universities, industry and government organisations to exchange ideas and recent results, as well as discuss current problems arising in control engineering research and industrial practice. International contributions are encouraged and will be solicited for.

The following types of contributions are sought:

Contributed papers:

Initial submission: up to 6 pages

Final submission: 3 pages (recommended); up to 6 pages (permitted)

Industrial/Practitioner papers:

Initial submission: an abstract

Final submission: 2 pages (recommended); up to 6 pages (permitted)

Invited Session Proposals:

Up to 2 page long submission comprising of:

Title of the invited session including justification of the session topic

Title and an abstracts of each invited paper; and

Names and affiliations of the invited paper co-authors.

Invited Session Papers:

Invited session papers should follow the same format and page limitations as contributed papers and will go through the same peer reviewing process.

Presentation-only papers

Initial submission: up to a page-long abstract (note: abstract submissions will go through a peer review process); the IEEE paper format must be used

Final submission: up to a page-long abstract (the final version). These papers will not be included in the Conference Proceedings. However, they will be a part of the Conference Program (if accepted) and their abstracts will be included in the Book of Abstracts which will be distributed to the conference participants. Thus, the registration fee will be lowered.

Technical sponsorship has been obtained from the IEEE Control Systems Society, IFAC and the Asian Control Association (ACA).
