Call for Papers

The 2022 Australian and New Zealand Control Conference (ANZCC2022) will be held at the Gold Coast, Australia, from 24 to 25 November 2022.

ANZCC2022 will provide a forum for Australian and New Zealand researchers, students and control systems engineers from universities, industry, research agencies and government organisations to exchange ideas and recent results, as well as discuss current problems arising in control engineering research and industrial practice. International contributions are encouraged and will be solicited for.

The following types of contributions are sought:

Contributed manuscripts: 4 – 6 pages

Practitioner manuscripts: 2 – 6 pages

Invited Session Proposals:

Up to 2 pages long submission comprising of:

Title of the invited session including justification of the session topic

Title and an abstracts of each invited manuscripts; and

Names and affiliations of the invited manuscript co-authors.

Invited Session Manuscripts:

Invited session manuscripts should follow the same format and page limitations as contributed manuscripts and their acceptance will be subject to the same peer review process.

Presentation-only manuscripts

These manuscripts will not be included in the Conference

Proceedings. However, they will be a part of the Conference

Program (if accepted) and their abstracts will be included in the Book of Abstracts which will be distributed to the conference participants.

Technical sponsorship has already been granted by the IEEE Control Systems Society, the International Federation of Automatic Control (IFAC) and the Asian Control Association (ACA). Proceedings will be published by IEEE-Xplore. MDPI Mathematics has kindly offered to sponsor the Best Student Paper Award.
