

The 2024 Australian & New Zealand Control Conference (ANZCC2022)
<https://anzcc.org.au/ANZCC2024/>

General Chair:

Ljubo Vlacic, Griffith University,
 Australia

General Co-Chair:

Fei-Yue Wang, Chinese Academy
 of Sciences, China

Tek Tjing Lie, Auckland University
 of Technology, New Zealand

Qing-Long Han, Swinburne
 University of Technology,
 Australia

Program Chair:

Victor Sreeram, University of
 Western Australia, Australia

Program Co-Chair:

Xiaohua Ge, Swinburne University
 of Technology, Australia

Publication Chair:

Victor Sreeram, University of
 Western Australia

Publication Co-Chair:

Wan-Quan Liu, Sun Yat-Sen
 University, China

Local Chair:

Eman Mousavinejad, Griffith
 University

Treasurer:

Waa'il M Lafta, Hitachi Rail STS
 Australia
 Ljubo Vlacic, Griffith University,
 Australia

Web Master:

Clinton McKinnon, ABB, Australia

ANZCC Steering Committee:

Victor Sreeram, University of
 Western Australia, Australia
 Ian R. Petersen, Australian
 National University, Australia
 Iven Mareels, Federation
 University Australia, Australia
 Ljubo Vlacic, Griffith University,
 Australia

Call for Papers

The 2024 Australian and New Zealand Control Conference (ANZCC2024) will be held at the Gold Coast, Australia, from the 1st to the 2nd of February 2024.

ANZCC2024 will provide a forum for postgraduate research students, researchers and practitioners from universities, industry, research agencies and government organisations to exchange ideas and recent results, as well as discuss current problems arising in control systems engineering research and industrial practice. The ANZCC 2024 theme is “**Metaverse Research and CPS/CPSS**” i.e. the research into the entire living environment and its interactions with immersive metaverses, in a real-time, including interactions with digital twins.

The following types of contributions are sought:

Contributed manuscripts: 4 – 6 pages

Practitioner manuscripts: 2 – 6 pages

Invited Session Proposals:

- Up to 2 pages long submission comprising of:
 - Title of the invited session including justification of the session topic
 - Title and an abstracts of each invited manuscripts; and
 - Names and affiliations of the invited manuscript co-authors.
- Invited Session Manuscripts:
 - Invited session manuscripts should follow the same format and page limitations as contributed manuscripts and their acceptance will be subject to the same peer review process.

Presentation-only manuscripts

- These manuscripts will not be included in the Conference Proceedings. However, they will be a part of the Conference Program (if accepted) and their abstracts will be included in the Book of Abstracts which will be distributed to the conference participants.

Technical sponsorship will be sought from the IEEE Control Systems Society, the International Federation of Automatic Control (IFAC) and the Asian Control Association (ACA). Proceedings will be published by IEEE-Xplore.

Important Dates:

| | |
|--|-------------------|
| Submission of Manuscripts (all types): | 04 September 2023 |
| Invited Session Proposals: | 04 September 2023 |
| Workshop/Tutorial Proposals: | 04 September 2023 |
| Author notification: | 27 November 2023 |
| Final Papers: | 03 December 2023 |
| Early Registration: | 04 December 2023 |
| The Award Nominations: | 01 December 2023 |
| Conference: | 01 February 2024 |
